

CHATHAM ECUMENICAL COUNCIL HELPING PREVENT HOMELESSNESS

Request for Financial Assistance

CECH cannot guarantee that any particular application will qualify for assistance. In most cases, applications will be referred for a qualification assessment to a local agency (e.g., Homeless Prevention Council, Lower Cape Outreach, Saint Vincent de Paul, WeCan) with a review process judged adequate to properly qualify prospective clients. All information provided by an applicant for financial assistance will be verified and there may be a request for additional information or proof of income. In all cases, our aim is to respond to the request promptly and with compassion. To that end, we will provide you a status update within 14 calendar days after we receive your completed application and documentation. Note: Financial assistance funds are not given directly to an applicant. If the request for assistance is approved, the Treasurer of CECH will send a check for the approved amount directly to the applicant's creditor (e.g., landlord, mortgage holder) or other third party provider of goods or services.
